Mr Savas

I am writing at the request of my client in Greece to confirm the following:

1. He is confirming that on or about January 17, 2012, he will provide you with a full list of the items in his possession that he wishes to return to your mother;
2. On or about that date he will have completed photographing those items and will provide you with copies of those photographs
3. He wishes to have this matter closed amicably and finally, as Morfi has assured you.

I will be in touch with you as soon as I hear from Greece.

Yours Truly

Mr. Patouris,

I refer to your email dated Thursday, December 1, 2011, in which you stated that we should be receiving a detailed counter proposal within 4 - 5 business days concerning the return of the entire Stamos Estate, in its entirety, from your client, Mr. Portalakis.

This has not happened as of today, December 20th. It is now twenty days later, which is unacceptable behavior, considering the damage that your client has created between the years 2008-2011, and how it has affected my mother's health, when the ugly facts were brought to her attention by the Art World in New York.

We await your reply.  
Jason Savas
